Dear James & Rafael,

Thank you for the terrific job you did on my Mold Remediation for the damages at my home. In addition, you identified the lack of insulation in my crawl space area and you were able to completely install new insulation & thereby reduce my Electrical Bill. I can already tell there is a difference! The carpeting looks great and we were very satisfied with your prompt service and quality of the work. I plan on using your services again in the near future as my wife would like to re-carpet the other bedrooms. Thank you again for your terrific workmanship and service. I would gladly recommend your company to anyone who calls me for a reference.

Sincerely yours,
